Introduction - Welcome

How fantastic of you to take part in the BNL Kick - Off 2021. Unfortunately, we still have to deal with the COVID-19 pandemic, but no less fun to organize this event for you since October 2020.

But fortunately, we are allowed to organize something once again. In any case, we will do our utmost to give you all a safe feeling when you arrive and during your stay at Karting Genk: Home of Champions.

We therefore also ask for your complete co-operation, because in the end we have to make sure that the event will be safe for everyone.

Dave Ritzen
BNL Karting Series organizer.

Introduction - Welcome

If we **ALL** will abide by the rules, we can keep racing in this Covid-19 area. It is your choice whether you are for or against the restrictions, but there is no point in complaining about it.

IF YOU DO NOT WANT TO FOLLOW THE RULES, PLEASE STAY AT HOME.

We have done our level to organize this event under the restrictions. But it is down **to us all** to act accordingly.

We can give you all a 100% guarantee that there will be control checks.
It is therefor up to everyone of us to ensure that the authorities are happy when they leave the site!

If we have to discontinue or stop the event, as a result of the rules not being properly adhered to, we will reject all subsequent claims.

The Sporting briefing is online available via our website!
