2022

Dear Rotax driver,

Thank you for registering for BNL Round 2! With over 150 drivers signed up already, we are looking at yet another weekend of great racing and full grids. With this info letter I would like to inform you about the latest information of the race at Mariembourg.

PAYMENTS

Secure your place on the grid by paying the entry fee at latest 24.06.2022.

This can be done either by using your EDIT-code or by bank transfer.

Please make sure to bring cash money to pay the track fee on Friday as we cannot guarantee a stable internet connection to carry out card payments!

This also is the case when you have to pay the entry fee. This is why we kindly ask you to pay in advance.

You can fulfill the payment online in our EVA-system. Just click the following link, choose “modify registration” and enter your edit-code. This will take you to your account. If you scroll down and click “next” you will have the option to fulfill the payment.
